## Speaker: Danielle Storey

Danielle's priority in business is caring about her customers; her focus and discipline in serving consistently with awesome service, advice and passion has her business growing in double digits every period for the preceding 18 months.

Her experience in business as Co Director and Sales and Marketing Manager of The Cartridge Family, in corporate life and in personal endeavour has ingrained in her a desire to serve and to share with other business owners the key to success.

Danielle will share with you The Cartridge Family's Business CARE philosophy and inspire you with practical tips and strategies for business relationship success that you can relate to and put into practice to ensure that your business succeeds over the next decade.

Danielle is a keen networker, a member of breyk-throo, Business Networking International and Toastmasters.

*Danielle will cover in this session practical strategies and tools for business success, including the following topics:*

- Existing customers vs new
- Proven networking ideas
  - Warm mail ideas
  - Cold calling basics
  - Brainstorming basics
  - Proven mail out tools
